February 2014 Wine club pack selections

To be delivered ex winery commencing 15th March 2014

All packs will be dispatched from the winery by 30th March

Vintage is well and truly upon us, so much so we have harvested our Pinot Gris 3 weeks earlier than we did last year! That is a considerable difference and a sign of the summer we have had. We are very happy with the vintage so far with good consistent crops and low disease pressure this year as well as not being affected by the late frosts that many experienced.

With some of our red wines between vintage we have decided to make this pack delivery extra special. We hold back certain wines to allow them to age, while in small quantities they are reserved only for our friends, you. We have some very special vintages of Shiraz Cabernet Sauvignon, Shiraz, Cabernet Sauvignon, Barbera and Pinot Gris Barrel Selection to be included in your packs and also available in your own selection packs. We do just ask that you keep in mind the limited stock so we can ensure that all our friends get to enjoy these very special wines. These wines will only be available for this pack delivery so don't miss out on the opportunity!

Detailed tasting notes of the wines will be included in your packs. There is also no extra charge for access to these wines. Friend's benefits are great!

New release wines will be available in the next pack delivery which is May and the official launch will be over the Weekend Fit for a King festival on the Queens Birthday long weekend in June.

You can also find us on Facebook to keep up to date with all the weekly happenings at Boggy Creek.

Graeme will have lots of vineyard and wine news for you in his pack letter.

Wines available in this pack selection are:

2012 Unwooded Chardonnay

New release wines tasting notes-

2013 Sparkling Rose

This exciting sparkling Rose is made from a blend of Barbera, Sangiovese and Tempranillo. The Sangiovese contributes savoury cherry flavours; the Barbera provides exotic spice characters over a solid acid structure, while the Tempranillo fills out the palate with subtle sweet berries. This fun sparkling is to be enjoyed on any occasion with a range of foods or just because you can. Enjoy!
