### QUARTERLY WINE PACKS – May 2010

To be delivered ex winery by 20<sup>th</sup> May 2010

*The 2010 vintage we are happy with, the wines are progressing well, in particular at this early stage the Sangiovese and Cabernet Sauvignon are the standouts. I promised you in February we would have some birthday surprises so you can help us celebrate our 30<sup>th</sup> birthday! See the last page for details. These offers are available to you only and not available through cellar door or online.*

*Sadly we have sold out of our popular 2004 Riesling and do not currently have a Riesling to replace it as we got our first crop this year off our replanted vines, so there will be no Riesling available until the 2010 is ready. Graeme will have more details on when it will be available in his pack letter included with your pack.*
